2024 Kentucky Farm Bureau Women's Mini-Grant Program

This mini-grant program is a special project of Kentucky Farm Bureau Women and is administered through the Kentucky Farm Bureau Education Foundation. This program, along with the Kentucky Farm Bureau Women's Educational Grant, is funded through monies raised by a live auction held triennially at the state Women's Leadership Conference.

Purpose

The grant of up to \$500 is offered to county Farm Bureaus for education programs for grades Preschool-12 or adults, which will result in increased agricultural literacy for the target group. Six mini-grants will be awarded to county Farm Bureaus in 2024.

Eligibility

Mini-grants are offered to county Farm Bureaus on a competitive basis with priority given to those programs demonstrating a need for financial support. *Prior recipients of the Kentucky Farm Bureau Women's Mini-Grant Program must wait three years before re-applying for grant funds.*

Application Guidelines

- Mini-grant applications must be completed and signed by the county contact and county Farm Bureau president.
- Applications must be **postmarked by October 18, 2024, for projects that are to be completed by December 31, 2025.**
- Recipients of the grants will be notified by **November 15, 2024.** Grant recipients will be required to provide a written report of their project within 60 days of completion.
- Only one application per county will be accepted.
- Funding is not available for field trips, landscaping projects or one-time consumable products.
- Grant payments can be made only to a county Farm Bureau. Payments cannot be made to individuals.

Selection Criteria

1. The project creatively engages the target audience in a way to encourage them to want to learn more about the food and fiber system. (30 points)
2. The project reflects a strong connection between agriculture and education. (20 points)
3. The project proposal reflects an organized plan for procedures and timelines for accomplishing the project goals. (20 points)
4. The project budget clearly defines the budget items and is cost effective in terms of the project parameters. (20 points)
5. The project proposal explains how this project would expand the current agriculture education effort, i.e. new grade levels or audiences, and/or new subjects. (10 points)

Application Deadline

Completed application must be postmarked by **October 18, 2024**. Submit signed applications to:
